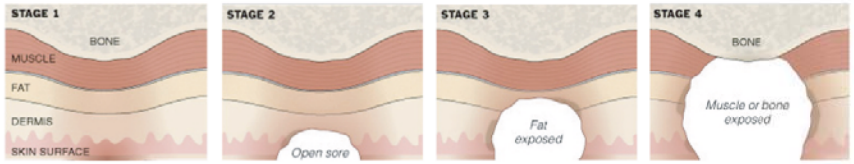
PERFECT FOR PATIENTS
PERFECT FOR CAREGIVERS

Rhythm·Multi

Rhythm·Multi Mattress System is a medium to high risk system for patients who are at risk of developing Pressure Ulcers according to your sound clinical judgment. Rhythm·Multi can also be used for patients who have an existing stage1,2,3 and 4 Pressure Ulcer, in conjunction with your hospitals policy on pressure area management.



Various top covers are designed and available to satisfy your individual requirement in terms of therapy, prevention and patient comfort.
