The **Invacare® Perfecto₂™ V Oxygen Concentrator** is an economical addition to the premier Invacare stationary concentrator line. This 5-liter concentrator is small, quiet and lightweight and comes standard with the **Invacare® SensO₂® Oxygen Sensor**. The Perfecto₂ V unit incorporates many of the best features of the market-leading Invacare® Perfecto₂™ Concentrator, including its contemporary, patient preferred external design and color.

Features

Pressure-based system is superior to timing-based systems
 Self diagnostic electronics minimize troubleshooting time
 Top handle for ease of mobility
 Battery-free power loss alarm, Invacare® Sieve-GARD™ Monitor protects sieve from degradation, compressor 35 psi pressure-relief valve and low flow alarm

Provider Benefits

Robust design comes standard with Invacare® SensO2® oxygen monitor to simplify preventative maintenance schedules and lower costs
 All Perfecto2 V stationary concentrators include a HomeFill system port for inventory flexibility
 Patient-accessible reset button helps minimize emergency service calls

Patient Benefits

User friendly design with easy to see control panel, humidifier bottle holder and filter access
 Low noise level and neutral color help to blend into any home environment
 Reliable concentrator provides unlimited, worry-free oxygen supply

HCPCS Code: E1390

1. Invacare® HomeFill® Oxygen System connection
2. HomeFill compressor and Ready Rack have been updated to coordinate with the Perfecto₂ Concentrator. Use with Invacare cylinders
3. Easy to maintain filter (not pictured)
